

UNCG Dietetic Internship Prior Learning Policy

No credit is given and no reduction in supervised practice hours is given for previous work experience or volunteer experiences.

UNCG Dietetic Internship Recency of Education Policy

Signed original DPD (Didactic Program in Dietetics) Verification Statements must be dated within five (5) years of the postmark deadline for application to the UNCG Dietetic Internship Program. Additional courses in dietetics or related courses are required to update DPD coursework. Courses taken to satisfy the requirements must be taken at a U.S. regionally accredited university or college. An official transcript verifying completion of the courses with a grade of “C” or better must accompany the dietetic internship program application packet. Only courses completed within the last five (5) years are acceptable.

0-5 years	Updating not required
5 years or longer	Must meet current ACEND Didactic Program in Dietetics (DPD) requirements with no fewer than 12 semester hours. A current Verification Statement signed by the DPD Program Director and a transcript documenting completion of required courses must be submitted with the dietetic internship application packet. The DPD Verification Statement must be dated within 5 years immediately prior to the current DI application postmark deadline.
